INTERNATIONAL GRAND CHAMPIONS OVER ALL BREEDS

We take justifiable pride in the recent trend back toward the increased use of Shorthorn bulls on western ranges as evidence that our breed is producing the kind of cattle that is proving the answer to the range man's problems. With the voluminous awards to Shorthorn steers of grand and reserve grand championships over all breeds in the nation's shows including three consecutive such awards at the Chicago International, new impetus has been added to the respect of beef producers everywhere for the improving qualities of the Shorthorn weight, scale and ample milk flow.

The commercial trade adjusts its stride to public demand, but looks always to the highest quality in purebreds to lead the way to greater improvement. Each year the International Shorthorn Congress sale strives to offer the ultimate in fine breeding and superior type. Bulls sold in these sales as far back as 1943 have sired grand champion steers over all breeds at important shows. This year we are offering the most outstanding group of champions and potential champions it has ever been our privilege to present. Here are imperial members of the purebred family which count the aristocrats of the showring as immediate ancestors and back it up with choicest individuality, type and conformation. The combination affords a wide range of selection for every herd. All will add new impetus to breed interest in every community to which they go. All are entered in the International breed competition.

Buyers come back year after year to this sale for their herd leaders because they have found the dependability of the offering always exceeds their highest expectations. Each year the best becomes better and it is especially true this year. We invite you with confidence to **BUY WITH CONFIDENCE** in this sale.

Clinton K. Tomson, Sec'y.

Completion of Shorthorn Judging, including Best Ten Head

Interesting programs have been arranged for the Shorthorn Club Banquet and the Annual Meeting and Banquet of the American Shorthorn Breeders' Association and we hope you will plan to attend. Tickets will be available from any Association representative.

Information for the Buyer

FREE FREIGHT OFFER—The American Shorthorn Breeders' Association will reimburse any purchaser, or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from Chicago. Why not contact some breeders in your locality in an effort to consolidate one shipment?

MAIL BIDS—Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be glad to handle buying orders for you. Contact them at the addresses listed, or in care of this Association at 7 Dexter Park Avenue, Chicago 9, Ill., or telephone YA rds 7—0363.

AUCTIONEERS:

J. E. Halsey, Des Moines, Iowa

Hamilton James, Newton, Illinois

TERMS—The terms of this sale are cash.

SHIPPING ARRANGEMENTS—It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment following the close of the Stock Show. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

RELEASE OF SALE ANIMALS—The International Live Stock regulations do not permit the release of any animals purchased in this Sale until after 10 P. M., Saturday, December 4th. Make your shipping arrangements accordingly.

INSURANCE—Coverage may be secured effective at the time of sales.

GUARANTEE—All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale or will have certificates of Bangs calfhood vaccination, and those that are not from Accredited herds have passed a clean tuberculin test within the same period. Health certificates will be provided with each lot sold.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

AMERICAN SHORTHORN BREEDERS' ASSOCIATION
Clinton K. Tomson, Secretary.

ASHBOURNE KING—A deep, beefy son of Edellyn Campeon Mercury out of a Shallenberger Maud cow. He was the first prize senior yearling at the Ohio and Kentucky State Fairs in 1948 and was Reserve Champion at Kentucky in 1947 and 1948. This is one of the last sons of Edellyn Campeon Mercury to be offered for sale.

RANNOCH MASTER MONARCH—Is our first son of Killearn Monarch 100th. He has the same excellent head that his sire carries and also his deep well-fleshed body. He was first prize Junior Yearling and Reserve Champion bull at the 1948 Edmonton Exhibition.

A Century of Leadership

SHORTHORN
Herd Book
Vol 1
1846

Public appraisal of the improving qualities of the Shorthorn bull is shown unmistakably by average prices on bulls at all auctions in the United States during the first 11 months of the fiscal year. This year during that 11-month period 1,692 bulls sold at public auctions, averaged \$441 per head. Last year for the same 11-month period 1,498 bulls averaged \$410. This swing back to Shorthorn bulls echoes a 75-year-old trend when Shorthorn bulls moved from East to West to improve the quality of marketable beef throughout the nation. The American Shorthorn Breeders' Association offers the dependability of over 100 years of continuous protection to Shorthorn breeders of America, maintaining the first and oldest Herd Book in America. The swing back to the breed is shown in the 100% increase in memberships in the last five years over the previous all-time figure. A life-time membership costs only \$10 plus \$1 each year in dues. It saves you from \$15 to \$50 and up annually, depending upon the size of your herd and in addition goes to work to find new markets for all the surplus Shorthorns you raise. **JOIN TODAY.** American Shorthorn Breeders' Association, Clinton K. Tomson, Sec'y., 7 Dexter Park Ave., Chicago 9, Ill.

Dark Roan, A. J. Marshall

PRINCE WILLIAM 24th—Is a dark red and one of the top sons of imported Prince William. His dam is the Marshall bred cow, Secret Huna, imported, that has produced some of our best calves. His full sister, also a dark red, was one of the tops of the International Congress two years ago. Here is a real herd bull prospect.

SUPREME CONQUERER—Was the Reserve Champion bull at the 1948 Michigan State Fair. His dam was the 1945 Congress Grand Champion.

PRIDE OF THE FIELDS—Here is a bull with top breeding. Note the combination of International and Perth prize winners, accounting for the thickness of flesh and the good conformation of this bull.

'47 International Champion and Top Selling Bull

Kelburn Banker Royal 2451109 was the Grand Champion bull at the 1947 International Show and topped the Congress sale at \$9,100. He was calved May 29, 1946, bred and consigned by Richardson Stock Farm of Winnipeg, Man., Can., and co-purchased by Dr. A. H. Weiland of Pawnee, Ill., and Coral Gables, Fla., and Black & Miller of Sharpsburg, Ill. He was sired by Mount Banker, Reserve Supreme Champion of the 1945 Perth, Scotland show, which sold in that Perth sale for 4,000 guineas and whose first son heads the P. F. Law herd at Weston, Ont., with another at the head of the Beath Farms herd at Oshawa, Ont.

Kelburn Banker Royal's dam was Knockhill Dolly 20th of the famous family of that name, bred by the Richardson firm and sired by Proud Templar, a son of imported Larbert Templar. Kelburn Banker Royal had been reserve junior champion of the 1947 Canadian Royal Winter Show previous to his triumph at Chicago.

Consignors to the International Congress sale this year have again entered outstanding individuals from select show strings to give buyers the ultimate in type and quality.

CIRCLE M ROYAL LEADER 7th—One of the first sons of our herd bull Edellyn Royal Leader 33d, top selling bull in 1946. This calf is heavy boned, deep and wonderfully balanced. He carries the blood of some of the breed's most potent bulls in the top of his pedigree. His dam was one of the top selling females in the 1946 Edellyn sale, as well as one of the very best daughters of Calrossie Mercury. We consider this calf the best of our 1947 crop of bulls.

'47 Grand Champion Female

Marellbar Princess 5th 2368298 was the Grand Champion female at the 1947 International Livestock Show for Marellbar Farm, Libertyville, Ill., owned by William Bartholomay Jr. She was calved June 13, 1946, a daughter of Marellbar Mandate, winner of the important first prize in the Get-of-Sire class at that show and was a Championship winner in his own right in 1946 and 1947 including the Silver Trophy for the best bull or female at the Canadian Royal Winter Fair at Toronto. Marellbar Mandate is a son of Klaymor Footprint by Collynie Royal Barrage.

The dam of Marellbar Princess is Kildun Princess Royal 30th, an imported daughter from the famous family of the same name, bred by R. G. MacKenzie and sired by Balthayock Chieftain Command.

It takes champions to produce champions, and a good place to look for source material is the 1948 International Shorthorn Congress sale. There is always a wealth of selection of pleasing combinations of important bloodlines mixed by the masters.

LEADER'S RANSOM—A very promising, thickly made, rich red calf that stood second in class at the Wisconsin State Fair.

MILLHILLS RANSOM MARSHAL—Undeclared Senior bull calf wherever shown this year, including the C. N. E., as well as winning the Junior and Grand Championship at several strong shows. With his grand head and neck, deep smooth body, short legs and near perfect balance he should appeal to those who want the best. His sire is one of the great young sires of today and his dam is one of the deepest bodied, shortest legged, heavy milking cows in the breed and is by the twice International class winner and C. N. E. Grand Champion, Killearn Morley. Outstanding since birth and backed by several generations of noted champions, this calf should make history for his new owner.

HICKORIES RANSOM 37th—Is a half-brother to the good calf we sold two years ago that was Reserve Champion. His sire was Wisconsin Champion bull and his dam Wisconsin Champion female in 1944. He is bred right and is a good herd bull prospect.

EDELLYN ROYAL LEADER 85th—A full brother to Edellyn Royal Leader 10th, the popular and very excellent breeding bull owned by Ohio State University. Also a full brother to Edellyn Clipper 40th, the Reserve Champion at the 1945 International Congress sold to Cherry Hill Farm in Maryland; and Edellyn Clipper 42d, one of the best heifers in our 1948 sale sold to Henry Knight of Kentucky. This very good-headed, thick made and short-legged calf has a background of popular cattle and combines the Royal Leader-Mercury cross with the character of a true breeding bull.

High Selling Female '47 Congress

The combination of an International Grand Champion and a Perth Supreme Champion furnished the top selling female of the 1947 International Short-horn Congress sale. She is Violet's Princess 25th 2356162, a dark roan, calved September 5, 1945, bred and consigned by Clausen Bros. of Spencer, Iowa, and purchased at \$2,000 by Merryvale Farm of Grandview, Mo., L. Russell Kelce, owner. She was sired by Morlunda Prince Peter, a son of the Perth Supreme Champ-

ion, Calrossie Prince Peter. Her dam was Violet's Princess 4th, bred by Peter Clausen & Sons and sired by Goldfinder's Champion, Grand Champion bull at the 1941 Chicago International, bred by Husted Bros. Violet's Princess 25th was a first prize winner at the Illinois and Missouri State Fairs and the 1947 International, and was carrying service to Goldfinder's Champion.

This female is typical of the high quality offering made each year at this sale. There is always a wide selection to fit many types of herds. Sale animals will parade for sale order Sunday morning, placed in breed competition by Senor Santamarina, beginning Monday morning, and sold on Wednesday.

SHORTHORNS

(Upper left) **ROYAL JUPITER**, Grand Champion over all breeds, 1946 International Livestock Show. Bred and exhibited by the Oklahoma A & M College, Stillwater, Okla.; Orville Deewall on the lead strap. Sired by Divide Jupiter, a son of Duke of Killearn and out of Winifred 18th by Glenburn Defiance.

(Lower left) **BUSHY**, Grand Champion over all breeds at the largest steer show in the United States in modern livestock history, 2,942 head at the 1947 Ak-Sar-Ben at Omaha, Neb. Shown by Fern Struve of Manning, Iowa, daughter of George Struve. Sired by Victor's Command by Haigler's Victor 2d, by Victor's Gift and out of Sobriety Lady 8th by Arngibbon Reserve. Steer was bred by H. L. Busching & Son of Tipton, Iowa.

(Upper right) **TOMAHAWK**, Grand Champion steer over all breeds at the 1945 Chicago Market and Fat Stock Show (war substitute for the International), bred by Carl Henkel, Calara Farm, Mason City,

Iowa, and exhibited by Carl Henkel and Joe Duea, Belmond, Iowa; Joe Duea on the lead strap. He was sired by Edellyn Grand Command and out of Duchess of Gloster by Royal Seal.

(Lower right) **SKEETER**, Grand Champion of the 1944 American Royal Livestock Show, Kansas City, Mo., over all breeds. Bred by Fred Dupy of Billings, Okla., and exhibited by Ray Gene Cinnamon of Garber, Okla. He was the first to win the \$1,000 prize offered by the American Shorthorn Breeders' Association for a Shorthorn steer going to the top in interbreed competition at the American Royal, Chicago International, Denver National, Fort Worth or Houston Live Stock Shows.

(Center) **BIG BOY**, Grand Champion over all breeds at the 1947 International and his exhibitor Claude Millwee, Fort Cobb, Okla. He was bred by O. H. Deason & Son of Fort Cobb, Okla., and sired by Mercury Aspiration, a son of Edellyn Campeon Mercury, and out of Spirea 9th, a daughter of Trumpeter's Command.

Take the Question Mark out of 'Beginners Luck'

It takes purebred sires backed by a succession of noteworthy ancestors to produce the kind of grand champion Shorthorn steers that have gone into stiff competition to win over those produced by top sires of all other beef breeds to effect a comeback for Shorthorns as brilliant as any in livestock history. The spectacular 3½-year record has been made almost universally by purebred animals. The age-old famous greater weight for age of the Shorthorn over all breeds gives these steers tremendous carrying power, holding bloom longer, ready for exhibition or market early or late as circumstances

require. Exhibitors have said they like SHORTHORNS BEST BECAUSE they gain weight rapidly, have such easy handling dispositions, are friendly and cooperative, fit into any program, and win easily. Commercial feeders are getting as high as 100 pounds more in nine months of feeding with Shorthorn steers than with other breeds. You can't go wrong with a foundation herd selected from animals offered in this Congress sale.

EDELLYN CLIPPER 45th—Is a valued member of our show herd and the Clipper family founded from Ivy Clipper, the famous imported Marshall cow. Her dam was in our show herd as a calf and was the dam of Edellyn Moray Mercury, the top selling Mercury bull of our 1944 sale, going to George Struve & Sons of Iowa, where he has done an exceptionally good job. This good daughter of Edellyn Royal Leader, out of a dam by an International Junior Champion, is the kind that will help your herd bull produce a winner.

JOAN JESSAMINE 3d—Is a red summer yearling heifer from a great family of cows that should make a valuable addition to any herd. Sells open.

New Herds Grow Into This

Each year an impressive number of new herds are started at the International Congress sale with a first purchase of a bull and two females, a brood cow and calf, a bred female, or maybe just a young heifer. An intelligent beginner started this herd and by careful selection has brought it to this high state of bloom and economic efficiency. New breeders of registered Shorthorns have increased 100% in five years over the previous all-time figure. These females are strong topped, in the pink of condition, square, breedy-looking, smooth of flesh and full of quality, with a commanding presence. Wide, low-set females of ample scale and substance are the kind that produce calves which can take a herd on up into national recognition. Shorthorn cows make ideal mothers with ample milk to give a calf the earliest possible start to maturity. Since you sell beef by the pound, **CHOOSE SHORTHORNS, BEST IN EVERY WEIGH!**

To Place Congress Sale Animals

This picture is typical of the man who will judge the Congress sale animals in the International arena on Sunday morning, November 28. He is a member of the firm of C. M. Caraway & Sons, owners of Golden Oak Farm, Golden Oak Milling Co., Golden Oak Hatchery, Golden Oak Retail Feeds, all of De Leon, Tex., with a branch house in Gorman, Tex.

Not only is A. H. Caraway one of the most delightful and genial hosts in the United States, but Golden Oak Shorthorns have been leaders in the Southwest for over a quarter century, building prestige for the breed throughout a wide territory. The herd record has not been excelled.

Autrey H. Caraway is manager of the farm and hatchery—he knows Shorthorns, loves Shorthorns, talks Shorthorns, and his standing among breeders everywhere is one of high integrity.

Senor Enrique Santamarina

Senor Enrique Santamarina of Buenos Aires, who will judge the Shorthorn breeding classes at the 1948 International Live Stock Show at Chicago, is one of Argentina's most famous Shorthorn cattle breeders. He is one of the Messrs. Santamarina of the well-known Las Heras estancia, an expansion of some 4,200 acres which maintains 700 Shorthorn breeding cows and 12 stud bulls with large commercial Shorthorn establishments also included in their vast holdings.

The Santamarina herd was started with imported foundations in 1907 by the elder Enrique Santamarina, father of the present owners. Las Heras came into existence 12 years later and in 1944 celebrated the silver jubilee of its foundation by winning the Grand Championship of the great Palermo show for the second time on the bull Fortune Lord Rodolph. The Las Heras herd has been developed with no regard to effort or expense in acquiring pedigreed Shorthorn stock from sources where breeding is most highly estimated, and it stands today among the foremost purebred Shorthorn herds in South America. The reserve Supreme Champion at Perth, Scotland, this year was purchased for the Las Heras herd at 6,000 guineas.

Senor Santamarina has been vice-president of the Argentine Rural Society for two terms; director of the Argentine Meat Board for 11 years, vice-president of the Argentine Shorthorn Breeders' Association, and has had extensive experience in judging Shorthorn breeding classes.

NEWALLYN ORANGE BLOSSOM 18th—The breeding of this calf provides the purchaser with bloodlines that have been sought over the years in all the better known herds in the United States and Canada. The sire of this fine calf is a full brother of Newallyn Legion which headed for many years the well-known herd of D. M. Gregg at Harrisonville, Mo., and a son of that grand imported bull Garguston Golden Victor. The dam is a daughter of one of the better cows of the Klaymor herd and a granddaughter of that grand old sire, Collynie Royal Barrage.
